Dear Hiring Team,

Dear Hiring Manager,

I am writing to express my interest in the Senior Principal Applied Scientist position at Zalando, as advertised. As a seasoned professional with a PhD in Physical Inception from Ecole polytechnique and a diverse background in various scientific fields, I am confident that my skills and experiences make me an ideal candidate for this role. My expertise in machine learning, deep learning, and natural language processing, combined with my extensive publication record in top-tier venues, position me well to contribute to Zalando's discovery systems and drive the scientific roadmap. I am particularly excited about the opportunity to mentor and guide senior and principal scientists, and to forge close partnerships with applied science leaders and product managers. I am eager to bring my creativity, dedication, and passion for innovation to this dynamic and innovative company.

Thank you for considering my application. I look forward to the opportunity to further discuss how my background and skills would be a strong fit for this role.

Sincerely, John Doe

Sincerely,
John Doe
